

The diagram shows a white rectangular area representing the page content. This area is enclosed by a blue dashed line, which represents the trim line. Outside the blue dashed line is a yellow border, which represents the bleed area. A black arrow points from the left edge of the yellow bleed area towards the text. A blue arrow points from the bottom right corner of the white area towards the blue dashed line.

**BLEED AREA:** All artwork that bleeds must be extended to the outer red edge.

**RED SECTION WILL BE TRIMMED OFF.**

**SIZE WITH BLEED: 6.25x11.25**

**FINAL TRIMMED SIZE: 6x11**

**Warning:** All artwork past the blue dotted line could get trimmed off.

Place text inside the white area to avoid it being trimmed.
